NATURAL SELECTION TOUR 2022

The Natural Selection Tour redefined snowboarding and reinforced that "Mother Nature is the Main Character."

The Natural Selection Tour 2022 features the world's greatest men and women snowboarders competing on the planet's most epic terrain in all-time conditions.

The Tour's mission is to inspire people to forge a deeper bond with Mother Nature.

Natural Selection is excited to showcase some of the most engaging winter sports content on the planet, utilizing next generation race drone production technology.
