ROTH**

**WELCOME TO THE BIGGEST
LONG DISTANCE TRIATHLON
IN THE WORLD!**

06 July 2025

Whether as a triathlete, as a supporter on the course or as one of our 7500 volunteers - dreams come true in the triathlon dream factory.

3.8 km swimming, 180 km cycling and 42.2 km running through the triathlon district of Roth. Emotions and goose bumps are guaranteed, for example at the mythical swim start at the Main-Danube Canal, at the legendary Solar Hill or at the magical finish-line party in the triathlon stadium. The sports festival in the triathlon stronghold has been home to triathletes from all over the world since 1984.

The Home of Triathlon last made history again in 2024, when Magnus Ditlev and Anne Haug pulverized the world best times that were only one year old. In 2025, the DATEV Challenge Roth will take place again on July 6th.
