LIVE AND UP CLOSE**

29 August 2027

The shot rings out, and for a heartbeat, there is a tense silence. Then, the roller skis clatter across the asphalt once more, and the chase begins anew. Biathlon thrives on the contrast between breakneck speed and absolute calm.

On August 29, 2027, the fourth edition of the M4Energy City Biathlon brings this very interplay back to Dresden, Germany. In the pleasant weather of the Heinz-Steyer-Stadion, around 4,050 spectators witness a top-class field of competitors featuring Olympic champions, world champions, and World Cup stars.

- Unique & spectacular summer competition on skirollers with the best athletes from many countries (10 men, 10 women)
- Original 50 m small caliber shooting-range in Heinz Steyer Stadium, Dresden
- Well visible city course, approx. 2.3 km lap through the city and thousands of fans along the course
- Presentation of athletes the evening before (Saturday, August 28th, 2027)
- Mass start race, qualifying and finals men and women, victory ceremony, press conference, supporting programme (Para Challenge)
