PROGRAMME OFFER

QUEEN & KING OF THE COURT

CROWN SERIES

We are thrilled to present to you Queen & King of the Court Beach Volleyball. Originally a popular training format, Queen & King of the Court has developed into an exhilarating new beach volleyball format.

Queen & King of the Court established a whole new experience in the existing sport and entertainment market. Presenting the perfect blend of sports and entertainment.

The court is divided into a winning and challenging side, and points can only be scored on the winning side. Instead of two teams, there are five duos playing for time simultaneously in an elimination game. The break between the rallies is limited to eight seconds, ensuring a fast and action-packed game.

All events will showcase the best beach volleyball players from all over the world. In each event, a minimum of 15 teams will compete in each gender.

As part of our collaboration with media partners, there is an exciting opportunity to extend invitations to teams or grant wildcards to teams from specific countries or regions of significance for you.
